

# cbim-Learning: Challenges

**Abdulaziz Almulhem**

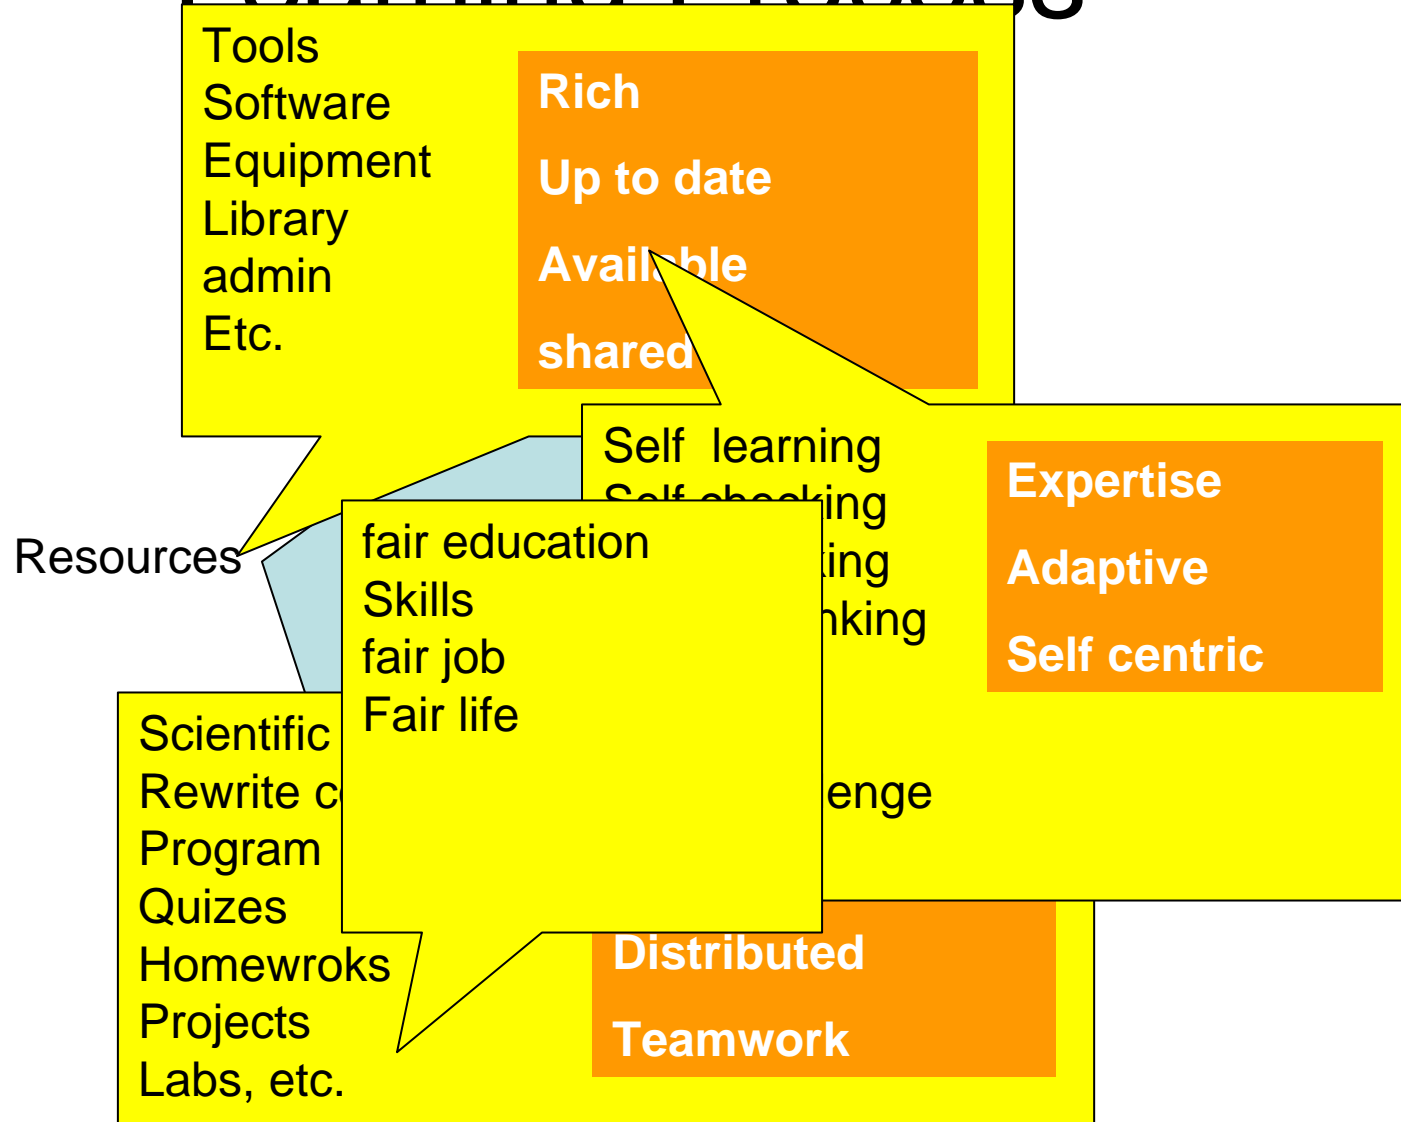

Computer Engineering Dept.

King Fahd University of Petroleum and Minerals

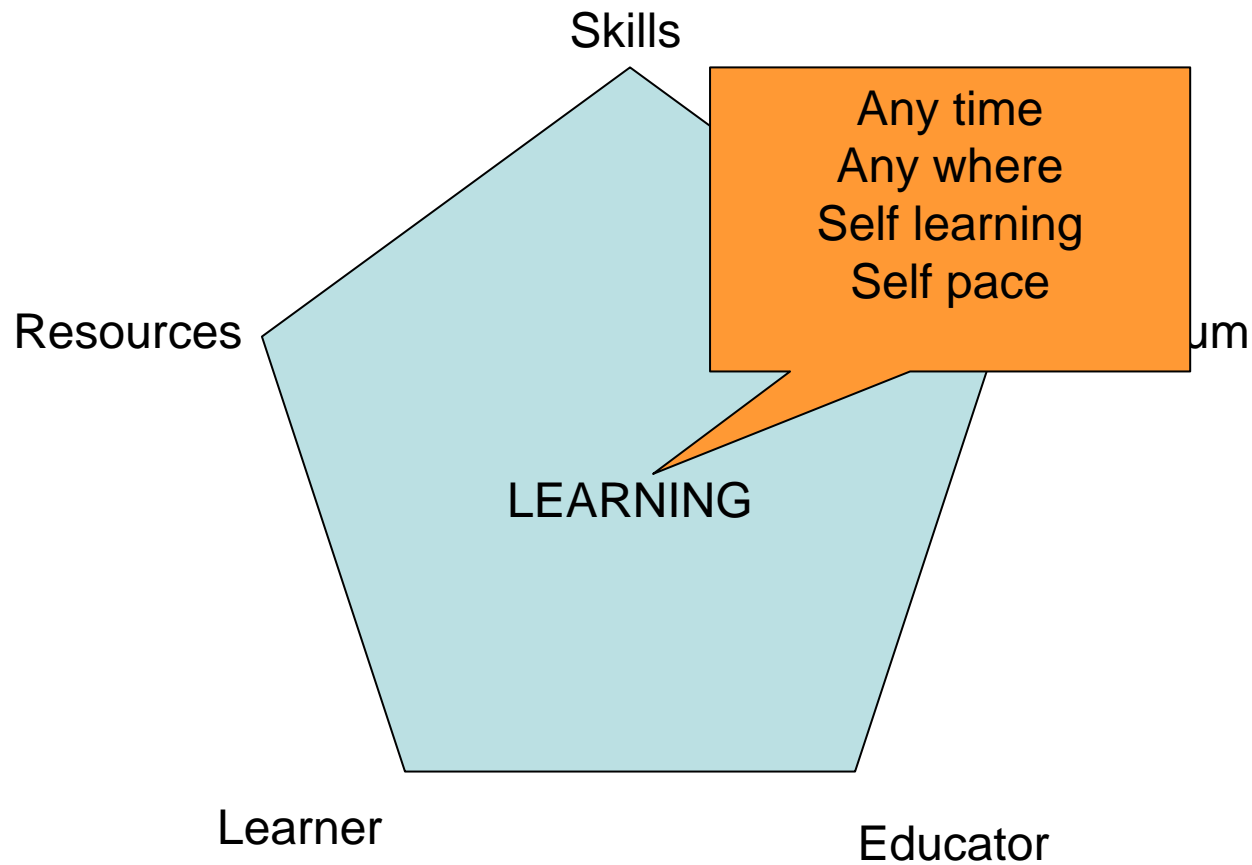

**E-Learning in Social Sciences and Humanities**

**Dubai, April 2005**

# Learning Process

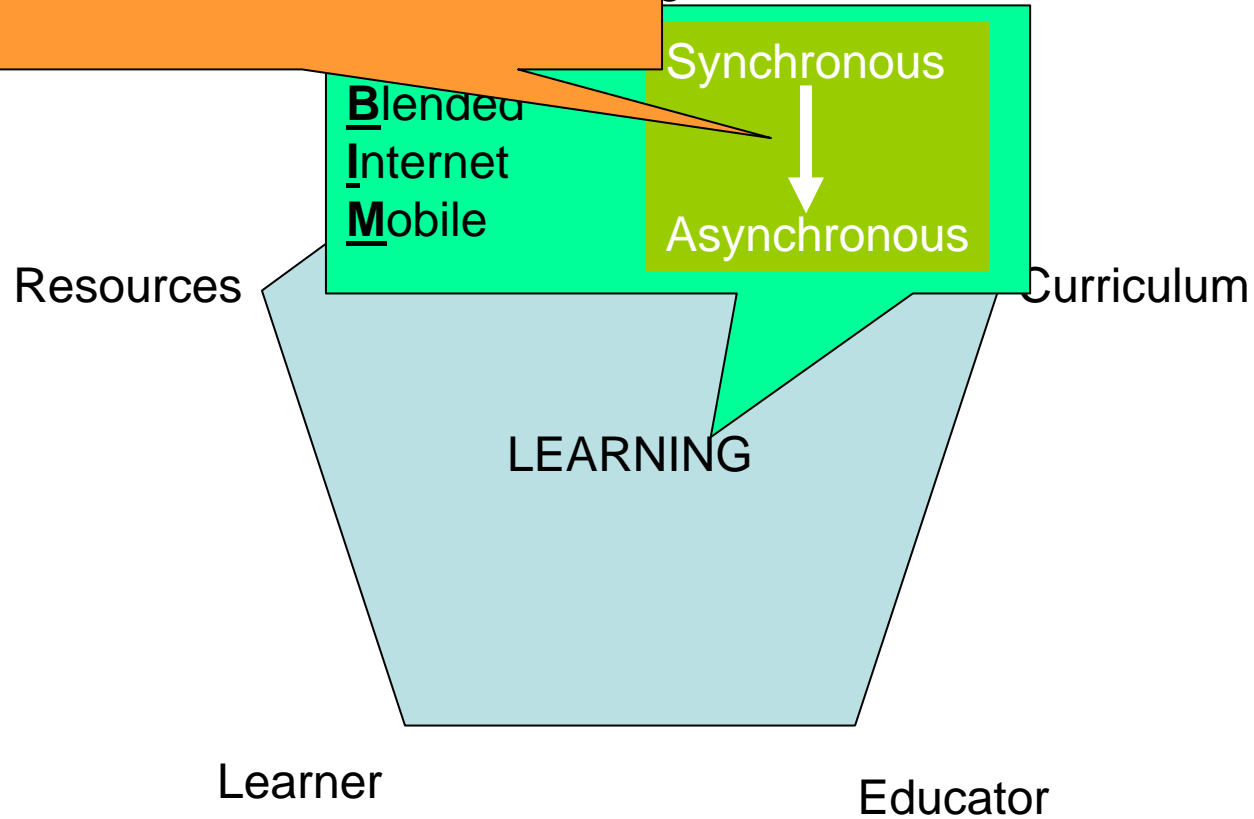

# Learning Process

# Process

Why?  
Cost effectiveness  
Streamlining efforts & resources  
Flexibility  
Availability & accessibility

# Challenges

- Complexity
- Reusability/sharing
- Accreditation/qualification
- Diversity
- Collaboration
- Out-reach
  - Technological
  - Financial
  - Logistic
  - Legal
- Localization

# What do we need?

- Strategies
- System (one man institutionalization)
- Standards
- Cultural shocks
- Piloting (till when?)
- Specialization
