Gulf Yearbook 2004

Gulf Yearbook is an annual report that discerns and analyzes the year's most important developments in the security, political, economic, social and defense fields in the Gulf region. It provides a comprehensive insight into the events that have characterized the region over the preceding twelve months and an overview of the year. The report is professionally designed, meticulously written and lucidly presented. Each annual issue includes diverse articles by renowned experts and scholars. The report constitutes a valuable reference work for decision-makers, scholars, students and business circles.

- ◆ Domestic Political Developments in the GCC States
- ◆ The Economies of the GCC States
- ◆ Defense and Security Issues in the GCC States
- ◆ Women and Civil Society in the GCC States
- ◆ Intra-GCC and GCC-Arab Relations
- ◆ The GCC States' International Relations
- ◆ Developments in Iraq, Iran and Yemen
- ◆ Foreseeable Conditions in the Gulf Region
