

# Deemah Alenizy, B.Sc

Biochemist

Alenizy.Deemah@outlook.com +966 553183372

Riyadh, Saudi Arabia <https://www.linkedin.com/in/alenizy-deemah/>

## Education

### B.Sc in Biochemistry

King Saud University

Riyadh | Sep. 2018 - Jun. 2022

Excellent grade

GPA: 4.94/5

First rank of class

## Experience

### Genome research chair

King Saud University | Riyadh

Jan. 2023 - present

- DNA isolation, RNA Isolation, cDNA synthesis, electrophoresis, primer design, PCR

### Medical laboratory technician

King Abdulaziz medical city (KAMC) | Riyadh

Jan. 2022 - Jun. 2022

- Chemistry lab, special chemistry lab, immunoassay.
- Sample analysis, quality control and calibration of equipments, lab instruments including: Alinity ci series, architect, Bio-Rad D-100 HbA1c analyzer, centrifuge, osmometer.

## Skills

Microsoft office

Lab equipments

Academic writing

Adaptability

Presentation skills

Teamwork

## Certificates

### Life Ambassador First Aid Principles.

The Saudi Red Crescent Authority - 2022

### ISO 22000:2018 - Elements of food safety management system (FSMS)

Alison - 2022

### Quality management in medical laboratories

Al-Mawsuah Health training center - 2022

### (GCMS) Gas Chromatography Mass Spectrometry

MedEvent - 2021

### Chemical Analysis by HPLC-UV Detector Device

College of Science, KSU - 2020

### COSHH awareness

The knights of safety academy - 2022

## Languages

Arabic

Native

English, 97 STEP score

Professional working proficiency

## Volunteer work

Peer tutoring - KSU

Sep. 2021 - present

Scientific research - Biochemistry club, KSU

Sep. 2020 - Jun. 2022
